**Notice to Shareholders of the Manulife Global Fund – Dynamic Leaders Fund
("Notice")**

14 October 2024

Dear Shareholder

The board of directors (the "**Directors**") of Manulife Global Fund (the "**Company**") is writing to you to advise you of the proposed merger (the "**Merger**") of Manulife Global Fund – European Growth Fund (the "**European Growth Fund**") into Manulife Global Fund – Dynamic Leaders Fund (the "**Dynamic Leaders Fund**"). All changes set out in this letter take effect on 13 December 2024 (the "**Effective Date**"), unless specifically stated and this letter forms notice to Shareholders of that fact.

Words and phrases used in this Notice shall, unless otherwise provided, have the same meanings as are ascribed to them in the prospectus of the Company (the "**Prospectus**").

1. Background / Rationale for the Merger

The Board is of the view that the proposed Merger will provide Shareholders with a more competitive investment offering that will better meet Shareholders' needs and objective.

The Dynamic Leaders Fund has a wider investment universe which comprises of equity and equity related securities of large capitalisation companies listed globally, including listed equity and equity-related securities of companies located in Europe which are the primary investment of the European Growth Fund. As such, the Merger will provide Shareholders of the European Growth Fund with the benefit of investing in a broader range of assets and geographical markets and a more diversified strategy under the Dynamic Leaders Fund, which is not constrained to investing only in a single region. Current Shareholders of the European Growth Fund will therefore benefit from a greater diversification of investments (and, in particular be subject to less exposure to the volatility risk and political risk associated with investing in Europe) after the Merger.

Further, by combining the portfolios and assets under management of the European Growth Fund and the Dynamic Leaders Fund into a single Sub-Fund, the Merger is expected to benefit the Shareholders in the European Growth Fund as it will create a larger pool of assets which enable the Investment Manager to manage the assets in a more efficient and effective manner. Further, the Merger is expected to bring about economies of scale from a fund management perspective that may result from lower operating and administrative expenses arising from an increased size of asset under management in the longer term.

Therefore, in accordance with Article 21 of the Company's Articles of Incorporation, the Directors believe that it is in the best interest of Shareholders to merge the European Growth Fund into the Dynamic Leaders Fund on the Effective Date.

2. The Merger

At the close of business on the Effective Date, the assets and liabilities of the European Growth Fund will be merged into the assets and liabilities of the Dynamic Leaders Fund. Shareholders of the European Growth Fund who have not exercised their right to redeem or switch their Shares before the Dealing Cut-Off Point will become Shareholders of the Dynamic Leaders Fund and the European Growth Fund will cease to exist on or around the Valuation Point on the Effective Date.

The Shareholders of the European Growth Fund will receive a number of Shares of the corresponding Class in the Dynamic Leaders Fund, the total number of which will be determined by multiplying the number of Shares in such Class in the European Growth Fund by the exchange ratio. The exchange ratio will be calculated for each Class by dividing the Net Asset Value per Share of such Class in the European Growth Fund calculated on the Effective Date by the Net Asset Value per Share in the corresponding Share Class in the Dynamic Leaders Fund calculated at the same time on the Effective Date. The calculation of the exchange ratio will be verified by the Depository and the Auditors of the Company. Any accrued income on the investments of the European Growth Fund as at the Effective Date will be reflected in the Net Asset Value per Share of the European Growth Fund and thus will be reflected in the Net Asset Value per Share of the Dynamic Leaders Fund.

3. Impact on the Shareholders of the Dynamic Leaders Fund

Upon the Merger, Shareholders of the Dynamic Leaders Fund will continue to hold the same Shares in the Dynamic Leaders Fund as before and there will be no change in the rights attached to such Shares.

Save for an increase in assets under management, which may marginally decrease the trading costs of the portfolio attributable to each Share, it is not expected that there will be any impact on the Shareholders of the Dynamic Leaders Fund. There will be no repositioning in respect of the Dynamic Leaders Fund portfolio to accommodate the Merger. The Dynamic Leaders Fund will continue to adhere to its existing investment objective and policy upon the Merger taking effect.

In addition, the Merger is not expected to have any impact on the performance of the Dynamic Leaders Fund and it is not expected that such performance will be diluted.

4. Costs of the Merger

There will be no costs associated with the preparation and the completion of the Merger charged to the Dynamic Leaders Fund or the Shareholders of the Dynamic Leaders Fund.
